

Dear Mrs Quek,
I never fail to provide yearly feedback to the principal of Chongzheng Primary School. As for this year, as usual, the admin staff remains very helpful and courteous. The form teacher of class 3D, Miss Tan, is VERY GOOD in her teaching method. My son, Josiah, can understand very well under her coaching. She is very patient, kind, responsible and responds to my queries promptly. There are other teachers who are very helpful although some of them do not teach Josiah at all. I appreciate the school, Miss Tan and the teachers for all the help that was given to Josiah for this year. I look forward to next year for Josiah.
