

Dear Mrs Elaine Quek,

We're writing to express our heartfelt thanks and appreciation to Mdm Law Koon Eng, the Chinese Teacher of our son Bertrand Lim of Primary 3. It was her encouraging words and actions that made Bertrand feel accepted in this school. As you may recall, he's just joined your school last year, after switching multiple schools due to my husband's overseas posting.

Bertrand comes back from school on most days happy - he's been enjoying his classes and new classmates. This is especially apparent with his Chinese, a subject he used to loath. Mdm Law is different. She is encouraging and caring, and that touched Bertrand and made him want to try harder. We were heartened to see he has put in real effort, and showing real improvement. It shows that a little caring and positive encouragement from an understanding teacher can do so much to a child like Bertrand.

We are deeply saddened to hear Mdm Law is now away due to medical reasons. This is especially true for Bertrand. We've never seen Bertrand so miserable over any teacher. We sincerely hope for a fast recovery. Our prayers are with her. And we would appreciate it very much if you could send her our best wishes and warmest regards. Bertrand truly misses her.

Yours Sincerely,
Lynda Hor Puay Hoon
