

**Dear Madam Norwati,**

First of all my heartfelt thank you for your invaluable assistance for the transfer of my son Huang Jiabao from Teck Ghee Primary School to CZPS. You have helped to remove much of the stressful experience when I tried checking out the many primary schools in Tampines. You can imagine how excited we were as parents when your email came advising us that our son has been offered a place in your school. You have demonstrated your sincerity and readiness to help us when we reported to your office to complete the formalities to register in CZPS.

Both myself and his mother are touched by your assistance and we again thank you for the guidance and assistance rendered.

Best regards,

Ng Kok Peng  
Father of Huang Jiabao ( 4D - 2013)
