

*Hari Raya Puasa* is a joyous occasion celebrated by Muslims worldwide after a whole month of fasting. This year, CZ celebrated *Hari Raya* with various activities such as making greeting cards, paper weaving, paper cutting, paper songket, donning traditional Malay costumes at the photo booth, moulding and *pinching* pineapple tarts, solving picture puzzles, and playing a *Hari Raya* Snap card game. As empathy was the main theme, the *Hari Raya* concert depicted a celebration at Sunshine Home for the Aged; complete with a catchy Malay dance item, a *dikir barat* performance, an item by teachers as well as belting out to *Hari Raya* songs with the mass. As we indulge in festivities, here's wishing everyone *Selamat Hari Raya!*
