Revised PSLE Scoring System

Updated information from MOE PSLE Microsite

From 2024, the Express, N(A) and N(T) courses will be **removed**. Students will take subjects at three subject levels: **G1, G2, G3** (G stands for General), based on their aptitude for and interest in the subjects, under FULL SUBJECT-BASED BANDING (FSBB). *[This affects students taking PSLE in 2023.]*

Students will continue to be posted into secondary schools (with their PSLE scores) through **three scoring bands**, as students' PSLE Scores remain a good initial gauge of their overall academic ability and their appropriate subject levels at the beginning of Secondary 1.

Details will be shared at a later date.
