# Selection process of CCA for 2024

- ▶ Parents will receive the **CCA Option Form** the week before the **CCA Fiesta!** (19 October 2024)
- ▶ The CCA Fiesta! is a showcase of the various CCAs in our school, manned by the CCA Leaders. All Primary 2 students will be scheduled to visit the CCA booths during school hours.
- ▶ Choose up to 5 CCAs in order of preference (all 5 options **MUST** be filled in)
- ▶ As far as possible, we will try to give students within their Top 3 CCA choices.
- ▶ A balloting process will be carried out if the CCA is oversubscribed.
- ▶ Results of the CCA allocation will be made known to the students when school re-opens in 2025. (CCA will only start in Week 3)

The following video montage captures our students in action during their Co-Curricular Activities (CCA), offering a vivid and dynamic visual narrative of the energetic and enriching experiences they encounter in school and outside of school during competitions and performances.

These images showcase our students' dedication and enthusiasm as they participate in a diverse range of CCAs, from sports and arts to uniformed groups and interest clubs. Each snapshot tells a story of teamwork, creativity, and personal growth, illustrating how our students thrive in their chosen activities while honing essential life skills.

**Q & A segment**

## Helping my child choose a CCA

If my child does not get her preferred choice of CCA, is there a chance to re-apply for it the following year?

Thank you

How often is the CCA in a week and how long is the duration?

Hi how many days will there be CCAs in a week? And also if my child is in student care after school how will that be arrange for his CCAs?

**Will the school bus still fetch the students after CCA?**

**Would teacher recommend the CCA activity to our child base on their observation our children performance in school.**
