

Dear Teachers,

Nur Hashiifah of P6E (2010) has graduated from Chongzheng Primary School. She feels a sense of separation as the bond and attachment are deeply rooted in her. As parents, I am proud of her and the school altogether. As a first timer, once I ever thought that the school does not matter but parents are the driving factors for a pupil's development. Now, I admit that I was one of the lucky parents to get our child to be in Chongzheng Primary School. In fact, it was only after many years that I found out Chongzheng is actually a school of choice in our community.

My wife and I would like to express our deepest gratitude to all the teachers above who have been together with our child and her batch. Your kindness and care, patience and perseverance, expectations and goals will always be remembered and appreciated. You have inculcated strong moral values and imbued a vision and purpose of life in her mind. I have witnessed a tremendous development in her intellectual and emotional well-being in these 6 years.

My family and I are especially thankful to Miss Toh, Mrs Oliveira and Miss Azizah for their expertise which helped us and our child negotiate through the challenges in our stressful year, i.e. PSLE 2010.

I do allow my child to remain contactable and I hope the teachers will allow her and friends to continue seeking help and advice if the need arises in their secondary years.

Thank You

Best Regards
Azhar Bin Idris
