

Dear Mdm Joanne Teo,

I take this opportunity to thank you and his other teachers for the care and patience in persevering in your duties to provide Russell with the best teaching and guidance.

It has been Russell's good fortune to have enrolled in Chongzheng Primary School and you and your colleagues have contributed greatly to this conclusion.

Once again thank you very much and all the best to you all as you endeavour to provide the best education for all the students in Chongzheng.

With deep appreciation and warm regards  
Mrs Tan Khar Guek  
Grandmother of Russell Tan (Primary 1 Benevolence)
