

Dear Sir/Madam,

Greetings to you all.

My son Sharifdeen from P2-C adores his form teacher Mrs Vera Tan and he informed me that he wanted to prepare a tribute to her for the Teachers' Day. I was amazed when he was explaining about Mrs Tan's qualities and abilities to my father who prepared the following for my son based on his description. Quite amazing indeed !!

As a parent, I have noticed that Sharif respects all his teachers especially Mrs Tan and Mrs Ipiter (Tamil Teacher). We would like to compliment all his teachers especially Mrs Tan for her love towards the children.

Have a great day and wish you all a Happy National Day.

Thanks and Regards
Aysha
