

Dear Principal

I wish to express my gratitude to Mr Zhao Houzhi for his hard work in nurturing the students of 5 Confidence

He's a teacher who puts his heart and soul to teach, encourage and work alongside with the students to strive towards their goal.

One day, I happened to see the following quote in the school's meeting room -

"The Best Teacher Teaches From The Heart Not From The Books"

Mr Zhao is a teacher I would describe him as above!

Thank you.

Keep up your good work, Mr. Zhao! (赵老师)
