

Dear Madam Kwan and Mr Zhao,

I would like to express my heartfelt appreciation for constant attention and your dedicated teachings last year to our son, Joshua. Through your committed time and effort, he has achieved much and was awarded the Merit Bursary on Saturday, 5/1/13.

Joshua is very fortunate to have such caring and dedicated teachers. Mr Zhao you have been most helpful and I sincerely thank you.

We will continue to work hand with you for the good of Joshua and we are sure that he will continue to put in lots of effort to excel in his studies, under your care.

Once again, thank you.

Sincerely,
Marian Goh.
