

Dear Mrs Quek,

I would like to thank you for your support in being a co-organising school for the YED Art Competition 2013. In total, 669 participants from 72 primary schools took part in the competition across the 4 co-organising schools. It is one of our best response rates for a competition and we couldn't have done it without the help and commitment of your school and staff. The winning art pieces from the 4 schools will soon be posted on the YED website for voting of the 'People's Choice' award. Overall, 220 schools have conducted 320 activities for YED this year. The great response is due in part to the suggestion by our EEAs to extend the date for YED-related activities to the earlier part of April, to avoid the exam period. We welcome any other suggestions to support the schools in YED and to improve the resources provided. I wish you a good week ahead and hope to partner Chongzheng Primary School again in the future.

Regards,
Paula Kesavan
Deputy Director (Schools & Youth Department)
